

### **Cold Lasagna Instructions:**

Take lasagna out of fridge and let rest on counter for 1 hour

Pre-heat oven to 375 degrees

Place lasagna in with lid on (poke 6 holes in lid) in oven for 1 hour

Remove foil lid from pan and cook uncovered for 15 additional minutes or until desired crispiness

Warm tomato sauce (covered in microwave or on stove)

Take lasagna out of oven, cut and spoon tomato sauce over top

### **Frozen Lasagna Instructions:**

Pre-heat oven to 375 degrees

Place lasagna in with lid on (poke 6 holes in lid) in oven for 1 hour and 45 minutes

Remove foil lid from pan and cook uncovered for 15 additional minutes or until desired crispiness

Warm tomato sauce (covered in microwave or on stove)

Take lasagna out of oven and let rest for 15 minutes

Cut and spoon tomato sauce over top
